COVER LETTER

Date: April 15, 2023

Dear Hiring Manager,

I'm writing to you to express my interest in the Junior Software Engineer (Front End) position you have open in your company. I am currently an undergraduate student in computer systems in fourth year and I am familiar with front end and back end. I have to say I am 100 percent ready to discover and new technologies and learn new things and I think I would be a great fit for this position. And I am good with interacting with people. I'm ready to explore new horizons and not afraid to take a leap of faith, I am certain I'll get along with you well and certainly give my all to this position. I appreciate your consideration going through this information and I'd be happy to hear from you.

Yours Faithfully

Ushan Niluminda
